Tips for Meeting Best Practice:

- ✓ **Have fun!** Resist the urge to use this agenda as a mere checklist. Make the 7 G's work for you! G7 meetings are an energizing & uplifting part of the business life for all members! As able, allow 15 minutes before and/or afterwards for open networking & fellowship.
- ✓ **Come prepared:** Every member arrives with: a) the *Grow by Giving*SM mindset, ready to serve needs of others, b) personal guest invited to join G7, and c) pitch & feasible "Gets" for others to support you.
- ✓ **Be coordinated:** For presentational segments (Gospel, God, & Grow), speakers are aligned in advance. Leaders, come ready to fulfill your chapter responsibilities.
- ✓ **Meet individually with one another:** Every month, schedule 1-on-1s or triads with other members between chapter meetings to build trust & seek referrals.
